# Coins & Medals, Medallions and Paper Money

## Specialist Auctions throughout the year

For 2,000 years coinage has flourished in Great Britain, from the sophisticated Celtic issues to the highly mechanised currency of our present Monarch.

And since 1993 you have been able to buy and sell them all at Bonhams. The Coin and Medal Department is now firmly established, a young department in a traditional auction house.

We offer a regular sales calendar, with well catalogued, affordable and varied lots to suit all collecting interests. Our sales include War Medals and Decorations, Engraved and Enamelled Coins, Historical and Artistic Medallions, Banknotes and Bonds and, of course, British and Colonial, Ancient and World Coins.

We have a reputation for a well researched and professional cataloguing service. Our commission rates are competitive. Collections and single items are handled with integrity, confidentiality, and above all, enthusiasm.

### Annual catalogue subscription rates:

UK: £23, Europe: £25, Worldwide: £30
